Once per game, at night, choose a good character: gain that ability. If this character is in play, they are drunk.

# Drunk

even if drunk or poisoned.

You do not know you are the Drunk. You think you are a Townsfolk character, but you are not.

#### Witch

Each night, choose a player: if they nominate tomorrow, they die. If just 3 players live, you lose this ability.

## Cerenovus

Each night, choose a player & a good character: they are "mad" they are this character tomorrow, or might be executed.

#### Psychopath

Each day, before nominations, you may publicly choose a player: they die. If executed, you only die if you lose roshambo.

All players know who you are. If good voted, you may choose to execute immediately.

Once per game, at night, choose a living player: the Damsel, if chosen, becomes a not-in-play Townsfolk.

### Alchemist

You have a Minion ability. When using this, the Storyteller may prompt you to choose differently.

## Cannibal

You have the ability of the recently killed executee. If they are evil, you are poisoned until a good player dies by execution.

### Amnesiac

You do not know what your ability is. Each day, privately guess what it is: you learn how accurate you are.

## Mutant

If you are "mad" about being an Outsider, you might be executed.
