

**Librarian**

You start knowing that 1 of 2 players is a particular Outsider. (Or that zero are in play.)

**Bounty Hunter**

You start knowing 1 evil player. If the player you know dies, you learn another evil player tonight. **[1 Townsfolk is evil]**

**Pixie**

You start knowing 1 in-play Townsfolk. If you were mad that you were this character, you gain their ability when they die.

**Empath**

Each night, you learn how many of your 2 alive neighbours are evil.

**Innkeeper**

Each night*, choose 2 players: they can't die tonight, but 1 is drunk until dusk.

**Balloonist**

Each night, you learn a player of a different character type than last night. **[+0 or +1 Outsider]**

**General**

Each night, you learn which alignment the Storyteller believes is winning: good, evil, or neither.

**Exorcist**

Each night*, choose a player (different to last night): the Demon, if chosen, learns who you are then doesn't wake tonight.

**Savant**

Each day, you may visit the Storyteller to learn two things in private: 1 is true & 1 is false.

**Professor**

Once per game, at night*, choose a dead player: if they are a Townsfolk, they are resurrected.

**Artist**

Once per game, during the day, privately ask the Storyteller any yes/no question.

**Cannibal**

You have the ability of the recently killed executee. If they are evil, you are poisoned until a good player dies by execution.

**Mayor**

If only 3 players live & no execution occurs, your team wins. If you die at night, another player might die instead.

**Drunk**

You do not know you are the Drunk. You think you are a Townsfolk character, but you are not.

**Saint**

If you die by execution, your team loses.

**Mutant**

If you are "mad" about being an Outsider, you might be executed.

**Politician**

If you were the player most responsible for your team losing, you change alignment & win, even if dead.

**Poisoner**

Each night, choose a player: they are poisoned tonight and tomorrow day.

**Wizard**

Once per game, choose to make a wish. If granted, it might have a price & leave a clue as to its nature.

**Mastermind**

If the Demon dies by execution (ending the game), play for 1 more day. If a player is then executed, their team loses.

**Scarlet Woman**

If there are 5 or more players alive & the Demon dies, you become the Demon. (Travellers don't count)

**No Dashii**

Each night*, choose a player: they die. Your 2 Townsfolk neighbours are poisoned.

**Imp**

Each night*, choose a player: they die. If you kill yourself this way, a Minion becomes the Imp.

**Ojo**

Each night*, choose a character: they die. If they are not in play, the Storyteller chooses who dies.

**Lord Of Typhon**

Each night*, choose a player: they die. **[Evil characters are in a line. You are in the middle. +1 Minion. -? to +? Outsiders]**

*Not the first night

**Dusk**

Check that all eyes are closed. Some Travellers & Fabled act.

**Lord Of Typhon**

Wake the appropriate number of players directly clockwise and counter-clockwise from the Lord of Typhon:
Show each of these players a unique Minion token, and give a thumbs down.
Replace these players' good character tokens with these Minion tokens and put these players to sleep.
Then, do the Minion Info and Demon Info steps as normal.

**Minion Info**

If there are 7 or more players, wake all Minions:
Show the **THIS IS THE DEMON** token. Point to the Demon.

**Demon Info**

If there are 7 or more players, wake the Demon:
Show the **THESE ARE YOUR MINIONS** token. Point to all Minions.
Show the **THESE CHARACTERS ARE NOT IN PLAY** token. Show 3 not-in-play good character tokens.

**Poisoner**

The Poisoner chooses a player. ☹

**Wizard**

Run the Wizard's ability, if applicable.

**Pixie**

Show the Townsfolk character token marked **MAD**.

**Librarian**

Show the Outsider character token. Point to both the **OUTSIDER** and **WRONG** players.

**Empath**

Give a finger signal.

**Ballooner**

Point to a player (alive or dead).
Place the **SEEN** token next to the shown player. ☹

**Bounty Hunter**

Wake any player with a Townsfolk character:
Show them the **YOU ARE** token, & a thumbs down. Put them back to sleep.
Turn their token upside-down. (This shows they are evil.)
Wake the Bounty Hunter, point to an evil player. Place the **SEEN** token beside the shown player. ☹

**General**

If you believe that the good team is winning, give a thumbs up.
If you believe that the evil team is winning, give a thumbs down.
If you don't know which team is winning, give a thumbs to the side.

**Dawn**

Wait a few seconds. Call for eyes open.
